RE: 5 Redlands Road, Ward - 20 Appeal# BOA1775900

To the Boston Zoning Board of Appeal,

As a nearby resident of 5 Redlands Road in West Roxbury, I strongly oppose the use of this property as proposed in the application **ALT1748839**. This project requires proper zoning review and community input. The scale and location are unsafe and unsuitable for both the occupants and the neighborhood.

I urge you to approve the appeal **BOA1775900** and require a full public review before any shelter use is allowed.

Sincerely,
